HOTEL SHINY GRAND

Northeast India events 2026-2027

A dated calendar of festivals, concerts and races, with every date marked confirmed or expected.

Why a dated list beats a list of festivals

- Most "festival calendars" name the festival and forget the year.
- For planning a flight and a hotel, the date is the whole point.

Confirmed for 2026-27

- Guns N' Roses, Guwahati, 17 November 2026.
- Shillong Cherry Blossom Festival, 20-21 November 2026.
- Hornbill Festival, Kisama, 1-10 December 2026.
- Guwahati International Marathon, 7 February 2027.

Expected, not announced

- Bihu, Ambubachi, Raas and Durga Puja follow the lunar calendar and shift by days until an official notice appears.
- We publish them as expected, with the pattern they follow, rather than inventing a date.

How to use it

- Book flights after a date is confirmed, not before.
- Hotel rates in Guwahati tighten on concert and festival weekends.
- Check the fog window if you are flying in for a December or January event.

Hotel Shiny Grand

- 100-guest banquet hall, in-house chef-led kitchen.
- 1.7 km from Terminal 2, which suits a one-night event trip.
- The calendar lists a guide for each event we have written.
