HOTEL SHINY GRAND

Shillong Cherry Blossom Festival, 20-21 November 2026

Two days in Shillong, one decision at the start: go straight there, or sleep near the airport first.

Land, then decide

- Land before early afternoon and you can drive straight to Shillong.
- Land in the evening and the hill road at night is the wrong first impression of Meghalaya.

The road

- Guwahati to Shillong is about 100 km, roughly 3 to 3.5 hours.
- Ask the driver for the Jorabat bypass rather than the city route.
- Umiam Lake is the natural tea stop.

The night-before option

- Sleep on the airport side, leave at first light, and arrive in daylight with the festival ahead of you.
- Free luggage storage means you can leave bags behind if your trip continues.

Festival weekend logistics

- Shillong rooms sell out for the festival dates; Guwahati is the overflow plan.
- Pre-book the intercity car; shared sumos leave only when full.
- Keep cash for the road.

Hotel Shiny Grand

- 1.7 km from Terminal 2, on the right side of the city for a Shillong start.
- Early breakfast on request.
- One complimentary one-way airport transfer on direct bookings.
