HOTEL SHINY GRAND

Family rooms in Guwahati: what three people actually get

Room categories sound similar online and behave very differently when you are three in one room.

Read the occupancy, not the name

- A deluxe room and a triple room are not interchangeable.
- Some rates assume single or double occupancy; the third guest changes the rate.

The questions that matter

- How many beds, and what size, for three people?
- Is the extra guest charged separately?
- Is breakfast included for everyone in the room?
- Is there space for a fourth, if plans change?

With kids

- An airport-side hotel means a shorter transfer after a long flight.
- Early breakfast on request helps a morning departure.
- Free luggage storage if you day-trip to Shillong and come back.

Hotel Shiny Grand

- All plus 5% tax, all with free breakfast on direct bookings.
- Superior Triple is the family room: ₹5,000 against a ₹7,000 comparison rate.

ROOM	DIRECT RATE A NIGHT	FITS
Single Executive	₹2,500	1
Deluxe Queen	₹3,000	1
Executive King	₹3,500	1
Superior Triple	₹5,000	3
