HOTEL SHINY GRAND

Late checkout and free luggage storage

Two small policies that fix the awkward part of a night flight or a side trip.

Late checkout

- Normal check-out is 11:00 AM.
- Late checkout up to 3 hours is free, so until 2:00 PM.
- Check-in is normally 12:00 PM; earlier is chargeable and subject to availability.

Luggage storage

- Leave bags at the hotel free of charge while you travel on.
- That is what makes a Shillong or Kaziranga side trip work without dragging everything.
- Collect them before your airport run.

When these matter

- A night flight home after a morning checkout.
- A wedding day that runs into the afternoon.
- A two-night loop to Shillong with a Guwahati flight at the end.

Hotel Shiny Grand
